The attachment lists total GDR exports to the Eastern bloc of nations and to Western countries for the period 1 January through 31 July 1952. A separate tabulation is made for exports to West Germany although the amount exported to the German Republic is also figured into the total to all Western countries. All units listed are thousands of rubles. The 17 industrial groups tabulated are those contained in the official 1952 handbook "Key List to Production Plan 1952" with the addition of Section XVII, Agriculture.
